

St David's College: Admissions Guidance for 2020

In line with the guidance from Welsh Government we are now closed until further notice.

College Staff are now working remotely, and only contactable by email.

For admissions in September 2020, there will be 3 scenarios. These are; those that haven't yet applied but want to, those who have applied but not attended a guidance session, and those that have applied and attended a guidance session. Below is guidance on all three scenarios.

Important: all contact for September submissions must now go through admissions@stdavidscollege.ac.uk

I haven't applied yet, but want to...

You can still apply for September 2020 online, at stdavidscollege.ac.uk. You can see all of the courses we offer and select which ones you are interested in. Please note that all open evenings and college visits have now been cancelled.

You **must** provide your latest school report, any qualifications you have obtained, and a copy of an ID with your application by emailing them to admissions@stdavidscollege.ac.uk.

Contact will be through e-mail, so please ensure you provide an email address that you check regularly.

St David's Admissions Team are currently working from home, adhering to government and NHS guidance of social distancing and isolation. Please note, there may be a delay in responses and processing your application.

The remaining Guidance Sessions for September 2020 have been cancelled. Where possible, we will be making judgements based on the information you have made available on your application, and we will follow up with you, where more information is required. **If more information is needed, we may arrange a telephone interview.**

Course choices can be negotiated during enrolment in August, instead of during the interviews/guidance sessions.
